## ASPIRING ARTIST MAKES ROYAL ACADEMY EXHIBITION

Talented artist Chris Thompson, pictured here with the self-portrait chosen by the Royal Academy for its A-Level summer exhibition.

His work was chosen from over 1000 entries. Chris first set a timer on a camera to take a photograph of himself asleep. He then used a technique called anamorphosis which uses perspective to create 3D images on two-dimensional planes. Chris, who is also a talented mathematician, achieved full marks in his second year art exams and is planning to pursue art as a career.

## STEPPING OUT TO SUCCESS AT THE RAMBERT SCHOOL OF DANCE

A-Level Dance student, Edward Kitchen, has been offered a scholarship to the prestigious Rambert School of Ballet and Contemporary Dance, based in London.

Edward applied to the top 5 dance schools in the UK and received offers and scholarships from them all. They were all able to recognise in Edward an exceptional dance talent and also a skilful choreographer ...watch this space.

## ADVANCED LEVEL RESULTS

ONCE AGAIN,  
ABOVE THE NATIONAL AVERAGE

A-LEVEL PASS RATE 98%

100% PASS RATE IN 24 SUBJECTS

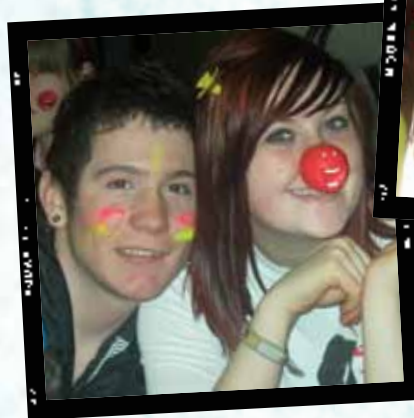

# CHARITY & ABROAD

## CHILDREN IN NEED

Pudsey Bear dropped into College to help students raise £980 for Children in Need.

## COMIC RELIEF

Students laughed their way to a total of £550 raised for good causes.

## UNICEF

Our Asian students spearheaded a fundraiser which raised enough money for 800 children in the Third World to be immunised against 5 killer diseases.

## MEDICAL AID TO PALESTINE

Following humanitarian crises in Gaza and Sri Lanka, some students were moved to organise a fundraising fashion show which raised over £750.

## SANTA DAY

'Santa's little helpers' raised £350 for Daisy Chain, a charity which offers respite care and other support for families and children with autism.

## SHOEBOX APPEAL

Boxing clever – 30 shoe boxes full of goodies collected by students sent to needy children in Eastern Europe.

Geography and Geology students found time to make a snowman while studying the effects of glaciation in the French Alps.

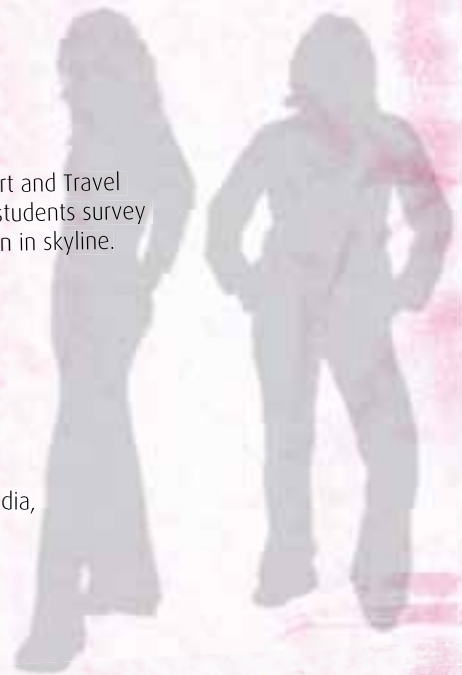

Up close and personal with Donald Duck: ICT students rub shoulders with some big Hollywood names in Disneyland Paris.

# VISITORS & AT HOME ABROAD

Geography, Art and Travel and Tourism students survey the Manhattan in skyline.

On the Millennium Bridge – Sociology, Media, Business and RS students in London.

# LAST NIGHT AT THE PROM

Second year students let their hair down at a leavers' party at Hardwick Hall. As well as dancing, the students could try their hand at roulette and blackjack at the fun casino.

The football team in celebratory mood

## FOOTBALL TEAM LEAGUES AHEAD

Our Football A team won 8 out of their 9 matches to win the Cleveland Under-19 Division One Championship.

This sees them improve on last season's performance where they were runners up. Congratulations also go to our rugby team who won 5 out of their 6 games to come top of the North East Merit League.

## BRITISH COLLEGES SUCCESS

College has also played host to several other outstanding young athletes who excelled at the British Colleges finals in Loughborough.

Pictured left to right - Andrew Winspear and Joe Sibbery won gold medals as part of the North East boys' swimming team. Sam Stubbs gained a second gold medal as part of the North East boys' trampolining team. Abbie Smith won a silver medal for her performance as part of the cross country team. Kathryn LeFevre and Harley Gibb came fourth in the table tennis, narrowly missing a medal.

## THE APPLIANCE OF SCIENCE

Prize-winning chemists - Joel Thompson, Yolanda Gibson and Josh Kelly with staff.

Stockton Sixth Form College Chemistry students once again made sparks fly as they made it to the final of the National Schools' Analyst Competition for AS Chemists.

They first had to see off the local competition at Teesside University. Their scientific wizardry was then judged against other regional finalists and they were selected to represent the North at the finals at Plymouth. Here they are proudly displaying the shield they won for Stockton Sixth Form College.
